

HERMES

1981!

Miss Scivetti,
Well I don't know if I
should say you are a
teacher or a good teacher.
So I won't say neither.

I have no idea where
you get your information
but don't listen to it all.
I'm really a good little
girl, honestly! Have a
good summer w/ or w/o Jack.

Love
Kelly Goodhue

Miss Scivetti
You're a great
teacher, I'll
stay in school
just so you
can sign my
yearbook.
When I'm a
senior. Hope
I'll have ya
in français &

Love

Sue Brown

Miss Scivetti - you
think I know you
and I know you go
out all of the time
and live it up, but
we don't. You have
a one track mind.
Have a great summer,
we'll be over to
see you. Love -
Nancy & David

Miss Scivetti,
you were one of my
favorite teachers. Thanks
for all of your time in
teaching me French. Si
vous allez à Paris me
téléphonez.
Love
Kevin

Norma Scivetti

RS-

Mme Scivetti,
and after French I
have gotten to know you
real well. Thanks for being
a good teacher.
Daddy
May 1981

Mme Scivetti,
I think you
a really good
teacher. Have a
nice summer and
see you next year
Exempt me next year
also.

Colleen Monrian

Madame,

I hope you have
good luck with
Al P. Your
such a chipmunk
It's like to
know what
the scarp
is. See
you in France
hopefully.

Paul

Miss Scivetti,

If I had known
I was going to be
stuck with you
for another year,
I wouldn't have
taken French II. Just
kidding. You're a
good teacher anyway
watch out for the
Balloons this summer.
Charlie

Miss Scivetti,
I'm sure going to
miss this place next year.
Thanks for all the fun
times we had in our 2 years
of French together. You're the
only teacher I've ever really
considered as a friend. Be good
to the doctor this summer and
I'm sure I'll see you.
Have a nice summer!
P.S. My grad. party
is June 21st at
5:00 PM.

Your calm and easy going manner put us at ease during the most hectic times. You showed us that all wasn't lost when we did poorly and helped us to try harder to come out ahead the next time. With much pleasure, we the class of 1981, dedicate our yearbook to you. . .

MR.
ROBERT
DALY

Anyone can follow tradition, but it takes a special combination of people and ideas to make changes.

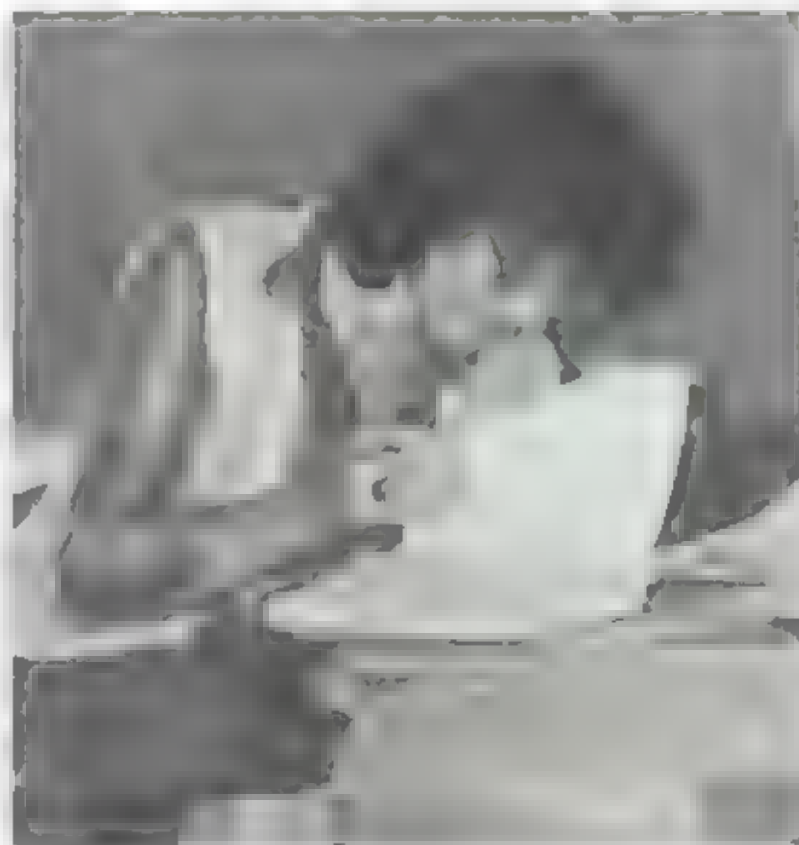

We have shown that we have the persistence and creativity necessary to cut loose and be ourselves.

Although we're close, we all have our own goals and opinions and must move on.

So as we go our separate ways, we should
always remember the best of all the times
we've had, together as we are now. .

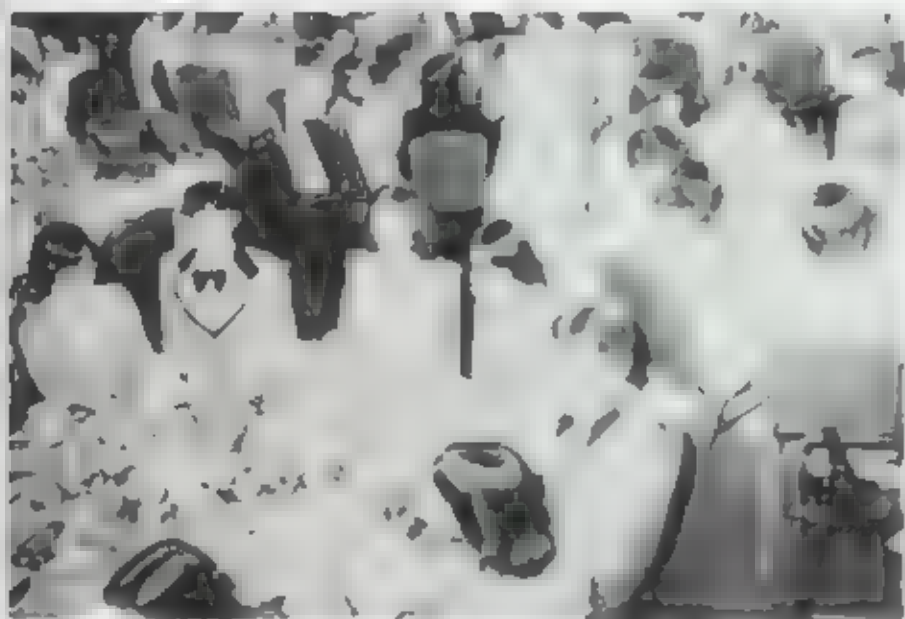

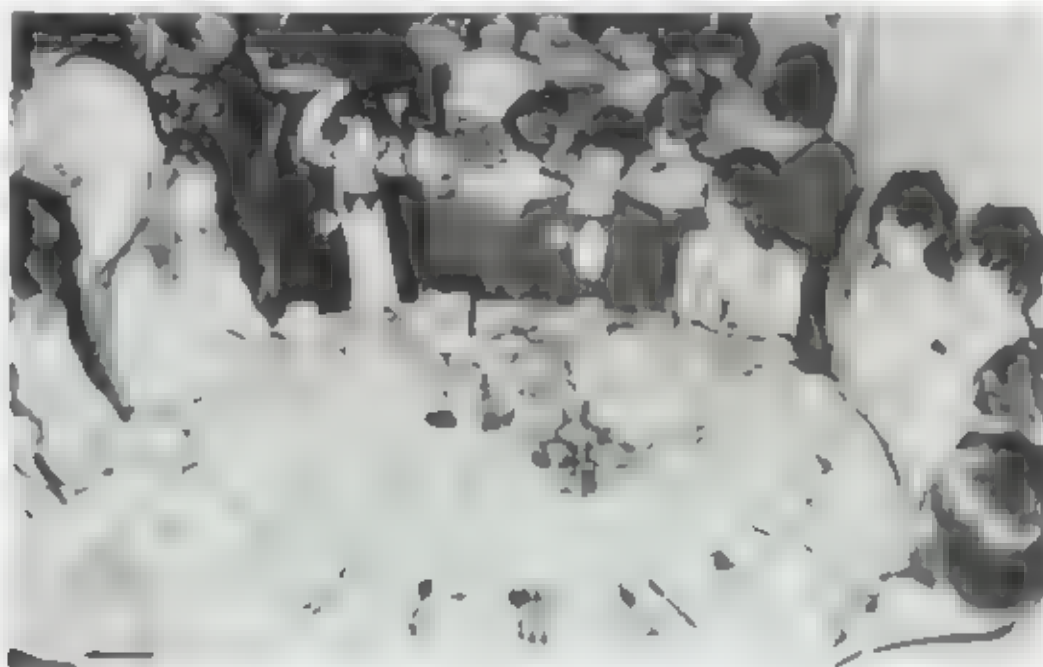

IF YOU REMEMBER ME

On the eve of April 18th, as we danced to our prom theme "If You Remember Me" played by the Revelations, we witnessed the crowning of King Mike Stickney and Queen Amy Fuller. These were very exciting moments highlighted by an evening of dancing in the Gold Room of the Queensbury Hotel. In the history of our school this was the first year such an event had ever taken place and surely provided an evening no one will ever forget!

We, Sue Doriski and Robin White, will to anyone four fantastic years of high school, long phone conversations on our hotline, complete with conferences and tutoring sessions, one bottle of acidic rain water, two weekend trips to Boston and loads of fun, several visits to Mrs. A. before homeroom, a NHS pool party with one good pizza munch-out, our dreams of future lives with Mr. Maine and Wonder Boy in hopes they come true and most of all our stamina to remain friends through it all

I, Lecia, will to Robin Ball one small nose to replace the BIG one she already has!

We, L.L., B.I., and D.L., will to any other office practice class the ability to take all period, get into as much trouble with Mr. Stasko as we did and still hand in work on time

I, Maureen Hogan, will to Karen McKinney my whole wardrobe of "STICK" fever shirts in hopes she won't burn them with her curling iron

I, Y.D., will my ability at Cosmetology to my cousin Jeanne in hopes that she will enjoy the hairy business and I also hope if she finds a guy like her Godfather she will appreciate him as much as I do!

I, Debbie Lowe, will to Miss Scivetti one free session with Mr. Jack Myers in hopes she will stop running around like a "chicken without its head," and an all expense paid trip to Jamaica

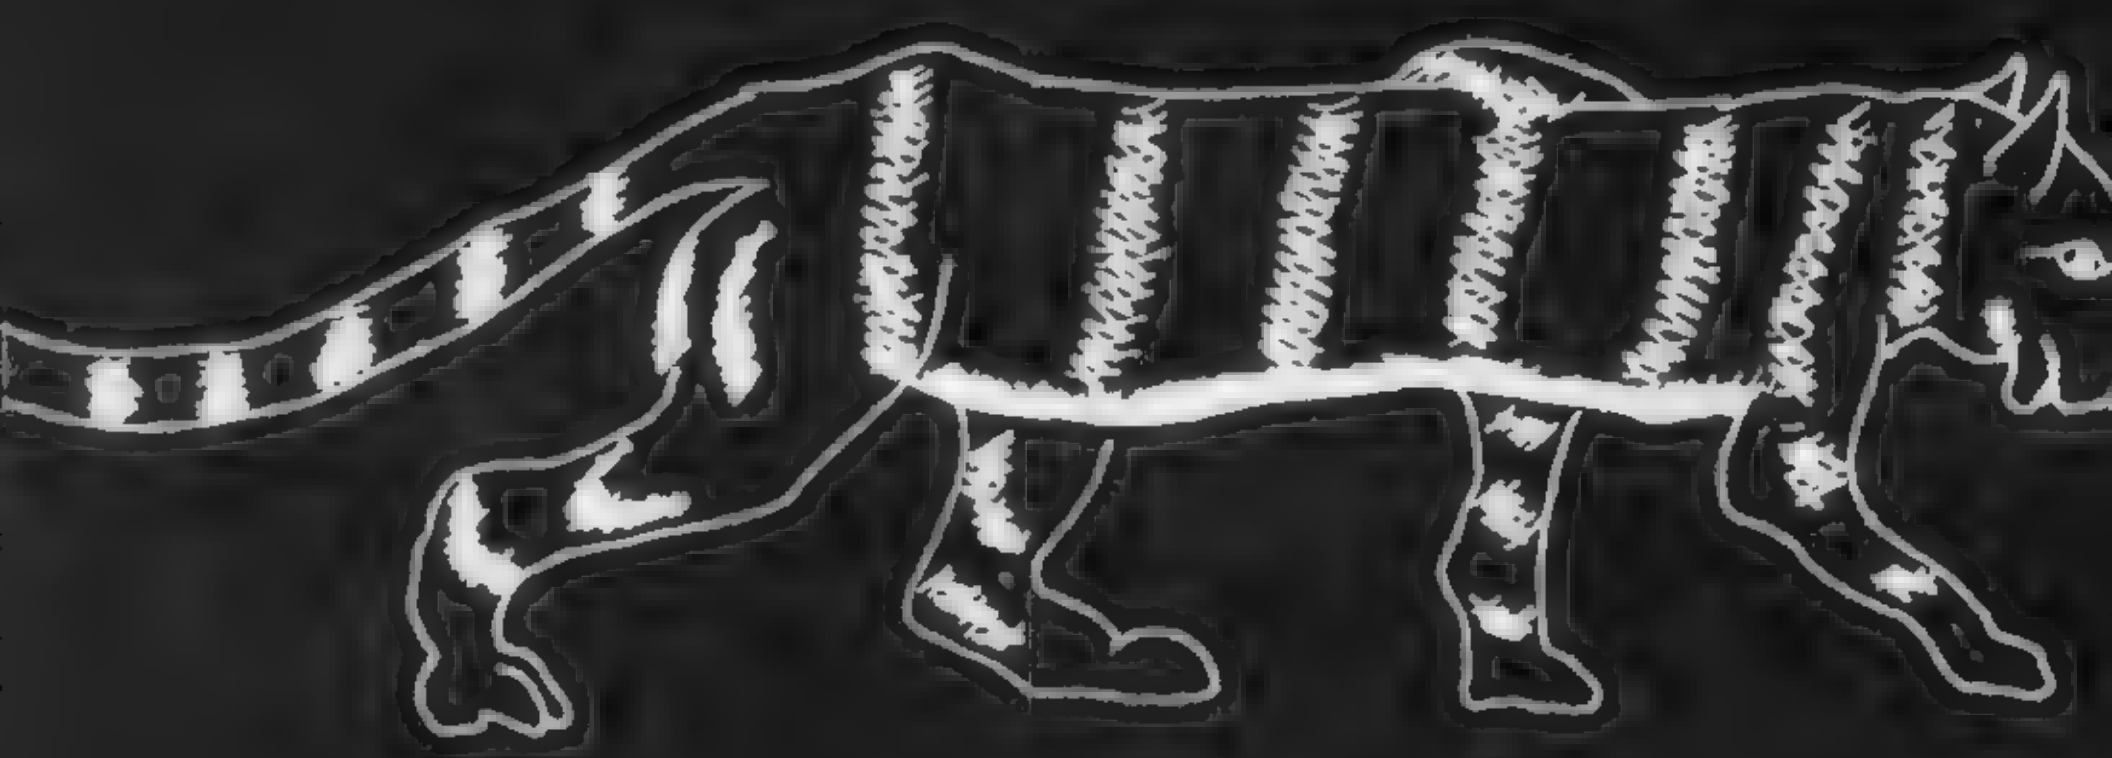

I, Diane Bement, will to all the Sculks the best of luck and happiness in the world because you all sure deserve it!

I, Lecia, will to Mr. Byrnes, my black dress, which still owe him, to go with his green suit

We will to "Gramps" our typing skills of "Misspelled Pam," "Peekers Lecia and Lisa," and "Take a Zero Tina." We know you will never find anyone better than us.

I, A.M., will to any underclassman one quick lesson on how to fall out of my pick-up truck, break a collar bone and collect as much money from the insurance agency as E.B. did

BOYS' VARSITY BASKETBALL

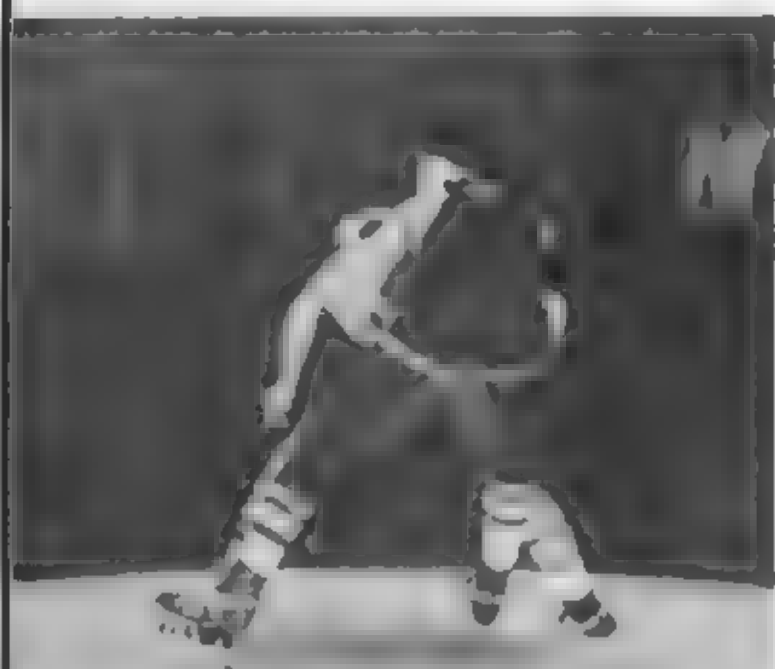

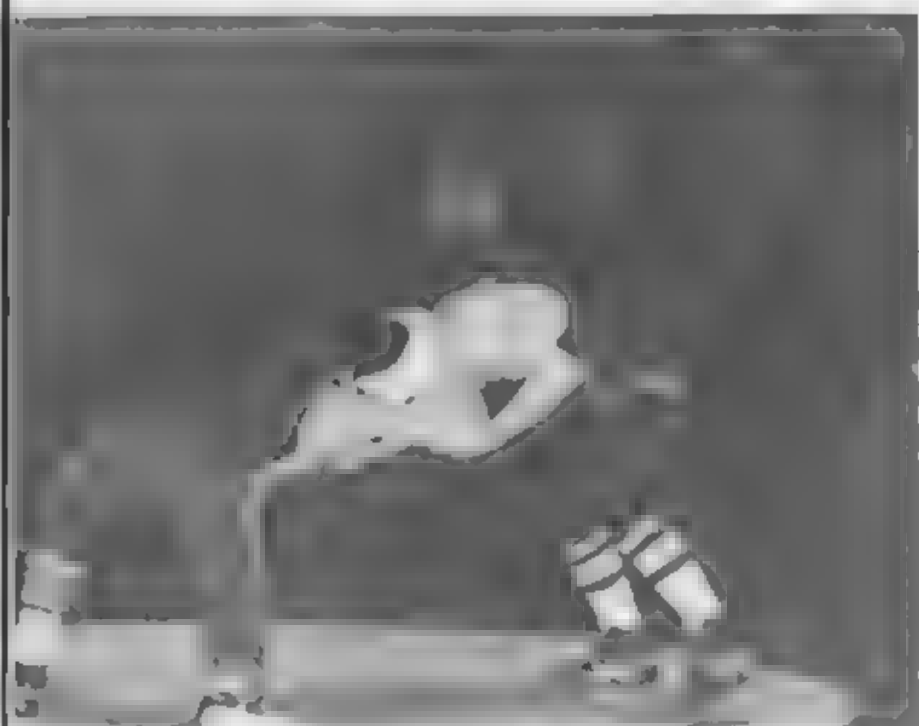

The varsity basketball team had another fine season in 1980-81. The team finished second in the Foothills Council with a 9-3 league record. The Tigers captured two tournament crowns by winning the Burnt Hills and Glens Falls Christmas Tournaments. The team is presently competing in the class B sectional tournaments and has an overall record of 17-5. The Tigers will miss the services of all the graduating players, especially John Mracek and David Carlisle (the only player in Tiger history to score 1000 points).

Boy Athletic Association is a service organization for both the school and community. It is set up for any boy that has earned a varsity letter in any sport. It is a fund raising club that hopes to raise enough money to buy jackets for its members. It is also a club to promote athletics in the school and to better the relationships among athletes of different sports.

For four years we not only studied but we worked together in our clubs and activities. We shared our hopes, our dreams, our tears, and our laughter. How quickly it all slipped by. "Can it really be all over?", we ask ourselves. So ends one chapter of our lives and soon another will begin, but we will always treasure our memories of Hudson Falls High.

CLASS OF

DATING GAME

On January 8, Key Club sponsored the first official Dating Game/Newly Wed Game with great success. There were winners and losers alike but after they saw who was on the other side of the partition, the winners felt like losers. The money raised was used to help the elderly at the Fort Hudson Nursing Home

The Donkey Basketball Game was sponsored by the junior class against the rough and tough faculty. The proceeds went to the junior prom. Between shooting baskets and throwing passes, most of the time was spent cleaning up after the donkeys which wasn't a very pleasant pastime

GRUB DAY

Ghosts, goblins, spooky spirits and even Dracula roamed the halls of our school on October 31. Student Council organized anything goes day and anything did go. The students with the best costumes were judged for the grand prize and everyone who dressed up received a lollipop.

You cannot bring about prosperity by discouraging thrift. You cannot strengthen the weak by weakening the strong. You cannot help the wage earner by pulling down the wage payer. You cannot further the brotherhood of man by encouraging class hatred. You cannot help the poor by destroying the rich. You cannot keep out of trouble by spending more than you earn. You cannot build character and courage by taking away man's initiative and independence. You cannot help men permanently by doing for them what they could and should do for themselves.

Mademoiselle,

Vous êtes une des meilleurs professeurs
dans cet école. Je suis trop contente que ~~je~~ j'ai
pu t'avoir pour un professeur et une amie.
J'espère que vous n'ayez pas un autre élève comme
moi parce qu'alors je serai la seule personne
de qui vous vous souvenez.

A bientôt

et

Au revoir

~~Voilà~~

Votre ami

Miss Scireth,

I think of you as a special teacher
person and friend. I only wish that
I had you for my final year. I had
a blast in Language Club with the parties
and even the meetings. I'm sorry I didn't
join early. I'm going to miss High School
and all the teachers but maybe I'll be back
~~maybe~~ maybe as a student teacher for
French. Who knows, miracles happen. Have a
nice summer.

Love,
Chris Bowen
